

I am shocked and offended that the FCC is apparently allowing the Sinclair Broadcast Group to broadcast a blatantly biased report attacking a major presidential candidate and to call it "news". Sinclair operates using public (our) airwaves and should be required to give equal time to other candidates.

I OBJECT TO THE PUBLIC AIR WAVES BEING USED FOR SUCH BLATANTLY POLITICAL PURPOSES. PLEASE REQUIRE SINCLAIR TO GIVE EQUAL AIR TIME TO JOHN KERRY AND OTHER PRESIDENTIAL CANDIDATES WHO REQUEST IT!
